

simply the
best part of
their day

Dessert and snack time are something that everyone looks forward to. But delicious taste aside, you also have health needs and restricted or modified diets to consider. Your patients, staff and visitors alike want wholesome foods with simpler labels.

Portable, versatile and able to meet a variety of dietary needs, our products fulfill every criteria. And with their taste and convenience, it's easy to see why so many agree that Kozy Shack® Pudding and Gels are *simply the best part of their day*.

FOODSERVICE

Simple goodness, made simple.

the closest thing to homemade

Kozy Shack® Pudding is made with simple, wholesome ingredients like milk, eggs, and sugar and with no artificial flavors or colors. Kettle-cooked for a creamy texture, it is also kosher and gluten free. And Kozy Shack® SmartGels® Naturally Flavored Gels deliver sweet, fruity flavor giving you a tasty and satisfying array of snacks that will please everyone.

Kozy Shack® Pudding

Kettle-cooked, with the delicious taste of homemade pudding, our pudding satisfies a wide variety of tastes and dietary needs.

Kozy Shack® Simply Well® No Sugar Added Pudding

Delicious flavor and only a fraction of the calories, this is the perfect snack or dessert option for those watching their weight or sugar intake.

Kozy Shack® SmartGels® Naturally Flavored Gels

With no artificial preservatives or flavors, our carrageenan-based gels make for a refreshing, great-tasting snack any time of day.
